Our Services

Core Practice Areas

FORECLOSURE
End-to-end processing from referral to completion and transfer of title pursuant to industry standards in both judicial and non-judicial settings on a state-wide basis inclusive of title curative work, mediation, loss mitigation efforts and REO closings.

BANKRUPTCY
Comprehensive representation serving the mortgage and automobile industries under Chapter 7, 11 and 13 including adversary and contested matters, appeals and a-la-carte management of files on a multi-state basis.

EVICTIONS
Proceedings on a state-wide basis to obtain possession in conjunction with or independent of foreclosure representation and in ancillary actions.

REPLEVINS
Processing actions to obtain possession of automobiles, manufactured housing, heavy equipment and other collateral.

LITIGATION AND APPELLATE PRACTICE
Experienced representation in a wide range of matters on behalf of creditors in state and federal court at the trial and appellate levels.

REAL ESTATE TITLE & CLOSINGS
Established history of serving as title agents on behalf of many of the major title underwriters and representation of clients in their residential real estate closings.

Core Practice Areas

Since 1971, LOGS Legal Network has continuously refined its services to anticipate the needs of our industry. Our attorneys represent creditors in and out of court in all aspects of creditors rights practice including foreclosure, bankruptcy, evictions, replevins, litigation and appellate practice and real-estate title and closings.

About LOGS Legal Network

LOGS Legal Network is the nation's largest and most comprehensive organization of creditors' rights law firms. Our commonly owned and centrally managed network operates in over 30 states. With LOGS you have the knowledge, tools and financial support of the entire network to deliver solutions for all of your servicing and legal needs. And with over four decades of experience, we provide compliant and creative strategies you won't find anywhere else.

Our Client Philosophy

With a proven track record of satisfying clients and meeting the industry's most exacting requirements, our timeline-centric process management and efficient operational controls ensure best-in-class performance for all of your legal needs. We develop expert programs designed to work on state, regional and national levels, tailored to your unique situation. When you utilize the LOGS Legal Network, you enjoy personal support and transparency across your entire portfolio. LOGS Legal Network performs our due diligence to meet your needs and protect your interest first and foremost.
