LOGS Legal Network announces partnership with IDEA Law Group

Bannockburn, Illinois, February 17, 2023—The LOGS Legal Network announces that IDEA Law Group has joined their network as a member firm, further strengthening, and expanding geographical, industry, and practice resources for both firms.

“Growing LOGS Network's footprint on the west coast was a priority in our expansion plan and we are excited we found a mutually beneficial partnership with IDEA Law Group, allowing us to grow in a measured way while ensuring our clients' needs are met,” says Jason Shapiro, President, LOGS Legal Group LLP. “With complementary strengths, common values, and strategic alignment, our valued clients can continue to rely on our commitment to a high quality of service, responsiveness, and resilience, as well as a continued focus on innovation.”

“We are excited to announce this partnership with the LOGS organization, which brings together two client-centered firms that share a commitment to diversity, excellence, innovation, and agility. Combining over a century's worth of industry-specific experience provides an unparalleled depth and scope of practical understanding and forms a strong foundation on which to continue to build,” said Danette Baldacci, Managing Director, IDEA Law Group.

With the addition of IDEA Law Group, the LOGS Network brings over five decades of creditors' rights experience and coverage in over 40 states. For more information about this expansion and to learn more about the LOGS Legal Network, visit www.logs.com/expansion.

About LOGS Network

For over five decades, the LOGS Network attorneys and operating professionals have represented the mortgage servicing and consumer credit industries, concentrating on the risk-sensitive areas of foreclosure, bankruptcy, eviction, title, litigation, and REO sales and management. LOGS built its reputation on the foundation of a unique, centrally managed network of attorneys, trustees, title personnel and collection staff that consistently performs at or above industry standards. For more information about The LOGS Network, contact Jason Shapiro, President, at (847) 910-0567 or jason@logs.com.

About IDEA Law Group, a Member of the LOGS Legal Network

In 2020, after more than 20 years of providing legal services to servicers, banks, and other creditors, Jennifer Rogers and Danette Baldacci partnered to found IDEA Law Group, LLC a certified woman-owned law firm providing legal services in six states. Since that time, and amidst a global pandemic, IDEA Law Group has strategically and successfully expanded its operations to represent clients in twelve states, including the addition of IDEA Law Group, PC providing services in California.
